

HOW TO

RECYCLE

Everything you need to know about recycling in Summit County, Utah

Household Recycling

Here is a list of what you CAN put in the bin

Plastics (1-7): laundry jugs; colored and clear containers; plastic soda bottles; water bottles; milk jugs; food and juice containers.

Metal/Steel: aluminum cans; steel/tin cans; food cans (spoon cleaned); soda cans.

Paper: junk mail and mixed office paper; magazines/catalogs/brochures; phone books; wrapping paper; newspaper; clean paper cups/plates.

Cardboard: cardboard (no waxed board); cereal/food/drink boxes; shoe/gift boxes; paper bags.

Please DO NOT bag any of your recyclable items

Here is what CANNOT go in the single stream recycle bin:

Glass of any kind; small appliances; plastic toys/figures; waxed paper/cardboard; food; hangers; Styrofoam; paint; light bulbs; carpet/carpet padding; tree/yard waste or grass clippings; soiled paper products; **PLASTIC BAGS of any kind**; electronics; PVC piping; foam; clothing/shoes/textiles; batteries; heavier weighted steel/metal; any type of hazardous waste; motor oil.
