

**Phased Guidelines Attestation Checklist for Yellow Low Risk May 22, 2020
Events, Cultural Arts & Entertainment (including Sporting Events, Concerts, Rodeos, Convention
Centers, Theatres, Museums, Libraries, Indoor Arenas, Farmers Markets)**

In-person operation of this industry is allowable under increased cleaning regimen and operational protocols in place to ensure safe distancing restrictions are met

- Follow all **General Employer** guidelines outlined in the Yellow Phase of the Utah Leads Together Plan and complete General Employer attestation
- Must have ability to track attendance. No temporary mass gatherings as defined in Rule R392-400
- Event size can exceed 50 individuals if organizational oversight can be provided that ensures guidelines are followed
- A 6-foot distance must be maintained between household groups at all times including while seated
- For reserved-seating facilities, facility capacity is dependent on ability to block reserved seats (demonstrated on digital seat map) to ensure safe radius
- Set an established window time for high-risk groups to come in without pressure from crowds and/or separate entrances and queues
- Limit the number of people in a confined area to enable adequate distancing at all times
- Maintain signage to remind and help individuals stand at least 6 feet apart when in common areas or while visiting exhibits (e.g. museums, zoos, aquariums, aviaries, botanical gardens)
- Distribution of promotional items, candy, food items, etc. during spectator events must be distributed in a manner that does not promote congregating
- Congregating at any point is not allowed
- Encourage contactless payment; disinfect between transactions at facility stores/gift shops and comply with other retail recommendations
- Participants (e.g., players, performers, actors) in events should have their symptoms checked
- Dedicated staff for sanitizing high-touch areas
- Event will not exceed 1000 people at any time

Concessions/Food/Sampling:

- Serving and seating protocols consistent with restaurant guidance
- No samples or sampling allowed
- Maintain 6-foot distancing for all lines
- Encourage contactless payment
- To the extent reasonable, serve grab-and-go food items
- Any concessions/restaurant seating is compliant with restaurant dine-in recommendations

To the best of my knowledge, the above is an accurate representation of our business compliance with the Governor's ordered Phased Guidelines.
